

Application Form

PCCC-JICA Mentoring Service for the Public and Private Collaboration for Climate-Resilient Pacific

Note for applicants

- Applicants must include information about a project under development by filling each item on the application form.
- The total number of pages for the application **should be minimum 5 pages and maximum 10 pages** (excluding supplemental materials).
- An application for the Mentoring Service must be sent to the PCCC-ISPCCR (agnesw.ext@sprep.org and taiji.ext@sprep.org) by 06 August 2025.

1. Information of applicant

Date of submission	06/08/2025
Country	Vanuatu
Organization	Adventist Development and Relief Agency (ADRA) Vanuatu
Department/ Division	Programs
Name of contact person	Nancy Lagdom
Position in organization	Program Director
Contact information	E-mail: nancylagdom@adra.org.vu Phone: +678 7641298
PCCC training programs or capacity building programs which you attended	<input type="checkbox"/> Hazard and Risk Assessment for Coastal Area Management by Using Remote Sensing Technology (Nov 2019) <input type="checkbox"/> Climate Science – Observed Climate Change and Future Climate Projections (Sep 2020) <input type="checkbox"/> Understanding Access to Climate Finance, Part 1: Essential Aspects for Access to Climate Finance (Nov 2020) <input type="checkbox"/> Understanding Access to Climate Finance, Part 2: Gender, Social Inclusion and Safeguards (Nov – Dec 2020) <input type="checkbox"/> Climate Change Adaptation and Disaster Risk Reduction through Structural Approaches (Mar 2021) <input type="checkbox"/> Ecosystem-Based Adaptation and Mitigation (Jun – Jul 2021) <input type="checkbox"/> Climate Resilience and Food Production Systems – Agriculture and Coastal Fisheries (Sep – Oct 2021) <input type="checkbox"/> Enhancing Climate Resilience in Tourism in The Pacific (Jan – Feb 2022) <input type="checkbox"/> Enhancing Climate Resilience and Safe Water Access in Rural Areas in the Pacific (May 2022) <input type="checkbox"/> Health Systems and Climate Change: Enhancing Resilient and Low-carbon Development in the Pacific (Sep – Oct 2022) <input type="checkbox"/> Climate change impacts and innovative solutions in the Pacific (Sep 2024) <input type="checkbox"/> Others (please specify the name of the PCCC training course or capacity building program)

2. Information of a project under development

1. Project Title	Laetem Ap Komuniti
2. Themes	<input checked="" type="checkbox"/> Energy <input type="checkbox"/> Agriculture and fishery <input type="checkbox"/> Tourism <input checked="" type="checkbox"/> Water <input type="checkbox"/> Urban resilience
3. Country(ies)	Vanuatu
4. Project objectives and project components	<p>Rural communities in Vanuatu have sustainable, clean, renewable energy source and safe and clean drinking water.</p>
5. Alignment with national and sectoral policies and strategies	<p>This project is aligned to several key plans that the Vanuatu Government currently has in place;</p> <p>Vanuatu National Energy Roadmap 2016-2030</p> <p>Vanuatu Infrastructure Strategic Investment Plan</p> <p>Vanuatu National Sustainable Development Plan</p> <p>Vanuatu Climate Change and Disaster Risk Reduction Strategy 2016-2030</p> <p>Vanuatu renewable Readiness Assessment (IRENA) 2015</p> <p>Vanuatu National Water Strategy (2018 – 2030)</p> <p>National Implementation Plan for Safe and Secure Community Drinking water</p> <p>-</p>
6. Justification of climate rationale (mitigation and/ or adaptation)	<p>This project focusing on improving water security through the construction of rainwater harvesting systems is an adaptation strategy to address the impacts of climate change on water sources while the use of solar energy sources is part of mitigating as it contributes to reducing greenhouse gas emissions.</p>
7. Draft theory of change [OPTIONAL]	
8. Describe how the project promotes collaboration between public and private sector, and describe the name of the private company/ state-owned enterprise or another private sector actor that are/ can be involved in project financing or implementation.	

<p>This project will be implemented in partnership with the Department of Water Resources, Department of Energy, Department of Climate Change, Department of Environment, Department of Forestry, Department of Local Authority and the various provincial Governments in the provinces that this project will be working in.</p>
<p>9. History of stakeholder consultation and communication with the relevant ministries including climate change focal point agency</p>
<p>ADRA has an existing MOU with the Department of Water Resources Vanuatu and currently works with all the above mentioned Government Departments in all its other projects. UNELCO and VUI who are the main energy providers in Port Vila and Santo will also be consulted along with companies like Savvy Vanuatu, PCS Vanuatu and Greentech Vanuatu that sell, train and install solar energy materials.</p>
<p>10. Targeted climate financial sources if any (e.g. GCF, Adaptation Fund, bilateral donors, multilateral development banks)</p>
<p>GCF and Adaptation Fund</p>
<p>11. Human or financial support currently receiving for project formulation and implementation</p>
<p>ADRA Vanuatu currently receives technical support from ADRA South Pacific, ADRA Australia and ADRA New Zealand.</p>
<p>12. Description of institutional set-up for project formation</p>
<p>ADRA Vanuatu currently has WASH construction projects in 6 WASH projects in communities in Sanma province, ADRA has just finished implementing WASH quick fix in schools, health facilities and communities in Shefa province and have already carried out DWSSP to communities in Shefa province as well.</p> <p>This project will be part of the WASH project that is based in our Port Vila office.</p>
<p>13. Expected schedule for project formulation and implementation</p>
<p>1st of August 2025</p>
<p>14. References for existing feasibility studies, and projects/experience on which the proposal is based, etc.</p>
<p>ADRA is currently on of the few organization that has partnered with the DOWR to carry out DWSSP carried out in some of these sites and have produced reports for.</p>
<p>15. Other related projects being implemented, under formulation, or under the approval process, if any.</p>
<p>Laetem Ap Vanuatu project which is going through the approval process with Renew Pacific.</p>
